

## ***Shipper Letter of Cargo Insurance***

***In order to better serve you, to cut the amount of your time we require when we move goods for you, and to better protect you, we ask that you choose one of the following options.***

***Please keep in mind that without cargo insurance protecting your goods while in transit, you would receive very little money for any damaged or lost goods, as noted in our Bill of Lading.***

***Please circle your choice and fax it back to us by \_\_\_\_\_ (deadline):***

- A)- I always want full coverage cargo insurance on my shipments.***
- B)- I always want the more limited Clauses-C coverage. I understand this will only pay for losses from perils specifically named in ICC Cargo Clauses C.***
- C)- I never want insurance on my shipments.***
- D)- I want insurance on a case-by-case basis. I understand that UNLESS I NOTIFY you via email or fax NOT TO INSURE, YOU WILL PLACE INSURANCE on my shipments for my protection, and I will be liable for these insurance costs.***
- E)- I want insurance on a case-by-case basis. I understand that UNLESS I NOTIFY you via email or fax TO INSURE, YOU WILL NOT PLACE INSURANCE on my shipments for my protection.***
